

Hawkettes Vision 2010 and Beyond

- We have two lead choreographers with Brittne Quinn and Amelia Hendryx from Dance Dynamics studio, please see our website for their bios
- They will be responsible for coordinating the dances for the Lions Day parade, the dance routines thorough out the season, and for the half-time performances. They will work with the coaches in coordinating the routines appropriate at each level and squad
- We have our lead head coach Danielle Campobasso former Chicago Bulls Luvabull. She will be our head coach for our advanced squad and overseeing coordination amongst the various squads
- Our goal is to have a head coach at each level, along with a team manager(typically a Team Mom) to help organize and coordinate events
- We are implementing a junior coaching program this year, which will be comprised of former Hawkettes who have graduated from our program, along with high school team members of the dance and cheer teams
- We are highly encouraging the Hawkettes Moms to get involved in a capacity that makes it a fun and enjoyable experience for them and their daughters. i.e. Photos, video, picnic, parade, homecoming, and our year-end banquet planning
- We are going to organize and coordinate joint events between the Hawks(football) and Hawkettes to foster the growth and training of all our members
- Our most important goal is to make being a Hawkette truly a memorable experience that all the dancers, whether age 6 or 14 will remember for a lifetime. Great memories, friendships, experience and photos that are priceless

Yours truly,

Joseph A. Miceli
President
Bartlett Hawks and Hawkettes
