Hawks Family Incentive Plan 2010

We at The Bartlett Hawks Youth Football and Dance program are dedicated to the well-being of each and every one of our members and their families.

We have come up with a number of ways to help you with registration fees for the upcoming season.

- For any player or dancer that you refer and they sign up with us, you will receive a \$25 credit. You may earn multiple credits, up to the amount equal to your registration fee.
- Any family that has three or more children in the program will only pay a flat fee of \$95 for their third and subsequent child(ren). For example, if you have three children that will play football at the tackle level, your total football cost for the season would be $\$320 + \$320 + \$95 = \735 . At registration, you will need to pay \$150 for each player, which would be \$450. Your balance due at Equipment Pick-up would be \$285 ($\$735 - \450).
- Corporate sponsorships can be dedicated towards your child's registration fee. For example, if your registration fee is \$320, and if you bring in a corporate sponsor, and company X sponsors \$250, all you have to pay is the remaining \$70. We are non-profit and have federal tax exempt status under the code of 501(c)(3). You can download the sponsor form at www.bartletthawksyouthfootball.com under "Downloads".
- We have implemented a monthly payment plan, three month plan or six month plan, to help spread the cost of registration. Currently, this option is available at our live registration, or you may send an email to info@bartletthawksyouthfootball.com and we will mail you the sign-up form.

We hope this new incentive plan will provide your son or daughter the opportunity to play football or dance in a fun family atmosphere and make it as affordable as possible.

We at the Bartlett Hawks are "Built to Last" and we look forward to another great season in 2010!
